

SCUBA DIVE ONLINE PRESENTS

PADI DIVEMASTER PRO CAMP AT ASSAVA DIVING, KOH TAO

PADI DIVEMASTER PRO CAMP at ASSAVA

PADI Divemaster, and Conservation in one camp!

Scuba Dive Online are excited to be partnered with Assava Dive Resort, a PADI 5 Star IDC centre located on the stunning Chalok Ban Kao beach in Koh Tao, Thailand.

Assava has its own bar, restaurant, and modern air-conditioned dorm rooms included for all Pro Camp candidates. Room upgrades are available on site at discounted prices, catering to all budgets.

If marine conservation interests you, our Divemaster Pro Camp is the perfect choice. Assava Dive Resort is renowned for their conservation efforts and offer our Platinum Pro Camp candidates a full conservation internship. Additionally, you will enjoy learning how to assist divers with challenges. The PADI Adaptive Techniques specialty is included with Gold and Platinum Pro Camps.

Whether you choose Silver, Gold or Platinum Pro Camp, you will be mentored by some of the highest qualified and experienced PADI Course Directors in the world. This is a Divemaster course like no other!

Above all, the Scuba Dive Online Divemaster Pro Camp prepares Divemaster candidates to work in the dive industry. We cover all PADI performance requirements, along with extra workshops in buoyancy, risk management, dive theory and more. Our Divemasters are not only ready to work, they are taught to instructor standard!

Prerequisites:

- Minimum 18 years old.
- Have at least 40 logged dives.
- Hold PADI Advanced and Rescue diver certifications. (Or equivalent)
- Completed EFR Primary and Secondary Care within 24 months (Or equivalent)
- Hold a "Fit to dive" medical within 12 months.
